

TJA CONTACT-FREE / IN-HOUSE USE OF FORCE INSTRUCTOR CERTIFICATION KITS

In these unprecedented times of covid-19 and staying contact free, the need to stay current with certification for legal purposes as well as being able to personally protect yourself and training others is still required.

TJA Use of Force Training, Inc. has provided hundreds of instructor certification kits for law enforcement, corrections and security agencies throughout the United States without one lawsuit for more than 25 years.

For 2021 TJA Use of Force Training, Inc. has developed several new instructor certification kits to address the concerns of departments and certification of their instructors. Saving valuable department resources.

WHAT IS INCLUDED IN OUR CERTIFICATION KITS:

COURSE DESCRIPTIONS AND FEES ARE E-MAILED DIRECT

FREQUENTLY ASKED QUESTIONS:

Why don't you offer these courses on-line?

Anything today with use of force is always questionable. We send the kit directly to you via U.S. (tracked) Priority Mail for accountability & credibility with tracking and signature verification. This is to protect you, the department and TJA in the unlikely event of litigation.

How long does the certification last and what is the re-certification procedure?

Certification is valid for a period of three (3) years. Re-Certification is provided directly to you at a reduced tuition with updated materials sent to you registered and tracked.

Does TJA offer telephone and email support with the training kit and assist with the instructor training course?

100% instructor support is and has been provided for all TJA certified Instructors for 37 years. TJA certified training is utilized and recognized by the U.S. D.O.J and thousands of agencies throughout the United States at every level of municipal, county, state and federal levels of law enforcement and corrections. **AND NOT A SINGLE LAWSUIT HAS EVER BEEN AWARDED TO ANY TJA CERTIFIED INSTRUCTOR!**
